

## PRODUCT CATALOGUE

---

### **MARINE SAFETY**

### VALUE FOR LIFE. BUILT ON TRUST.

Unicare is a family-run business that was founded in 1981 by Cyril Pereira and Wendy Leslie Pereira with a focus on Emergency Eye Wash & Safety Showers. Under the leadership of Clint Pereira, Managing Director, the company has expanded to include a diversified product portfolio that includes its manufactured industrial safety products and partner products from the world's leaders in the Firefighting and Search & Rescue segments.

### LICENSES & CERTIFICATIONS

Our flagship products are crafted for quality, reliability, and cost-effectiveness, backed by excellent after-sales support. Unicare is a pioneer as the first BIS (IS:10592) licensee and one of the first ISO 9001:2008 certified safety product manufacturers in India, with CE certification and compliance with ANSI and EN specifications.
